

Our Team in Deizisau (Germany) is looking for an

Intern/ Trainee (f/m)

noonee AG was founded in 2014 as an ETH-Spin-off and has since established itself as one of the leaders in the exoskeleton market. Our first innovation, the Chairless Chair is the first passive, ergonomically designed exoskeleton for manufacturing workers worldwide. The emerging and dynamic market of exoskeletons demands continuous improvement and a strong focus on research and development. For this reason, we are looking for a talented, creative and motivated addition to our team in Deizisau, Germany.

Your duties

Support our team with:

- Preparation of sales meeting
- Competitor and market research
- Support of the back office
- Collaboration with the national and international sales team

What we are looking for

- You are a “team player”, who has an innovative mindset und a “getting things done” mentality
- You work independent and disciplined
- You are open, communicative and can get up to speed quickly
- You are solution-oriented, you think analytically and are a structured and logical thinker
- You are IT-savvy and knowledgeable of Microsoft Office programs
- You speak and write fluent business English
- You enjoy getting to know the ins and outs of a young company

We offer:

- a revolutionary and innovative product as well as a challenging and exciting field of work
- A young, motivated and international team that conquers new markets with joy and expertise
- Independence, and the opportunity to help shape a dynamic company
- Flat hierarchies

Did we catch your interest? Great!
